

Invitation to DION Annual General Meeting and board elections 10 May 2017

Date: Wednesday May 10th, 2017

Time: 17.00-19:00

Location: Klubben, Studentersamfundet, Elgesetergate 1, Trondheim

Meeting agenda is printed on the next page.

All PhD candidates, post-docs, and other temporary scientific employees at NTNU are welcome to DION's Annual General Meeting. Meet other young researchers, and hear what DION has focused on over the last year to make NTNU a better place for PhDs and post-docs!

Interested in a leadership position? We will also hold the election for the new board for 2017-2018. We encourage all interested PhD candidates, post-docs and other temporary scientific employees from across NTNU to consider joining! Candidates will each introduce themselves briefly, and a president and at least four board members will be elected by fellow attendees at the meeting.

If you are interested in running for the board, email us at post@dion.ntnu.no, or introduce yourself in-person at the meeting. A board position in DION can be credited as up to one month of duty work, or a one-month extension of the PhD project period (Forskrift om stipendiater ved NTNU, §2).

More details about the board election are on our webpage: <http://www.dion.ntnu.no/>
We also have a facebook event page with up-to-date information:

Tapas will be served at the meeting.

Drinks will be available at member prices.

Welcome!
