Item 33/10    DION Budget 2010
Haaken had made a suggestion for the continuation of this year and for 2011. Budget 
for 2011 was approved. DION will decide consecutively for the remainders of 2010.

Item 34/10    Relations to the press
If contacted by the media, members of DION can recommend that journalist contacts 
leader. Still, DION will not have an absolute rule that no one but leader can make a 
statement to the press.

Item 35/10    Regulations concerning time between end of financing of PhD 
studies and defence
There are very few guidelines that control what happens between expiration of PhD 
contracted period and time prior to disputation. Haaken and Yngve will bring question 
into meeting with Pro Rector Kari Melby and senior advisor Ragnhild Lofthus.
Item 36/10 A.o.b.

• In most departments non Norwegian speaking PhD Candidates cannot educate students in the three lower classes. This causes more required duties for Norwegian speaking PhD Candidates than for those who do not speak Norwegian. Thus, Norwegian speaking candidates will have less time to focus on their research than those who are non Norwegian speaking.

• Hearings: It is important that DION receives hearings and documents concerning PhD issues. Haaken, Yngve and Inger are looking into this matter.

Meeting finished at 1215 hours.
