Annual General Meeting (AGM) and Elections

When: 17:00 – 21:00, Thursday, 25th of April, 2019

Where:

Trondheim: Room R2, Gløshaugen

Gjøvik: G303, NTNU Gjøvik

Ålesund: To be announced.

One more reminder to mark your calendars for the next **DION Annual General Meeting**. **Do not forget that a new DION board will be elected at the Annual General Meeting.**

All PhD students, post-docs, and temporary scientific employees are eligible to run for a DION board position! DION Board elections will take place at our 2019 Annual General Meeting (AGM), 25th April. Location and exact time will be announced soon.

The DION Board consists of 5 to 8 members, including DION president, who serve for 12 months (until spring 2020). DION is the only organization at NTNU which represents PhDs and post-docs from across the university. We hold monthly board meetings and discuss wide-ranging questions we receive from PhD students, post-docs, institutes, and the NTNU Board. This is an opportunity influence the work situation of the academic temporary staff, and get insight into how the university works. DION is invited to various university events throughout the year and presents at faculties' introduction seminars for new PhD students. We therefore strive to have the broadest range of disciplines represented on the board to bring diverse perspectives to our discussions. We also serve as an important social arena, and hold event targeted at different groups throughout year.

As a compensation for this work, board members receive one month of paid extension of the PhD (or one month paid duty work), and the DION president receives two months.

NB: If you cannot join the AGM, you are still eligible! Read what is needed from the candidates and how to join:
