- Status changes:
  - Candidates who were not elected as presidents should be able to run as board members.

  - O How long should every candidate have to present?

- We can set 2 hours for total candidate presentation; 45 minutes for voting; we can adjust this after we have a clearer idea of how many people will apply
- The board went through the Annual Report and checked remaining tasks. The tasks are highlighted in red in the Annual Report (AR) as well:
