

7th of June 2022

- Work
 - Malene worked on the page and update it. Made some changes on the site to make it more efficient.
 - Lina: issue with the webpage- she made a request to IT, but she has to re-request because the issue hasn't been solved.
 - Plan
 - Meeting in September/autumn.
 - Responsibilities
 - Fereshteh: Website
 - Anum and Anastasia: emails
 - Answer to the email: the number of the PhDs
 - Line finds the number of PhDs
 - Inform him that we're looking for the answer and ask for the reason too.
 - Past Events
 - Ålesund event was nice event
 - Trondheim was also successful (feedback-could people find the place easily?)
 - Previous meetings
 - Ludwig: a lot of topics were opened at the Research Council, employee a PhD to examine how PhDs at the NTNU are internationalised, funds for exchange, there is a budget called mobility for the next year, question whether NTNU should have the money already available but it was not a conclusion, evaluation of PhD career day – discussion for improvements
 - Alicia: made some improvements for the site and news-letter & to do list
 - Recommendation
 - Call for grants
 - Upcoming events:
 - Union day
 - Places
 - Trondheim live event
 - Ålesund online event
 - Gjøvik live event later
 - Location
 - We should find rooms during August
 - Time: might better after 16.00
 - To do list
 - Contact Tekna and check about the date
 - Contact for the food
 - Ludwig -> food
 - Regina -> date
 - Malene and Alicia ask and meet people in person to ensure that they'll be responsible for the event
 - Career day
 - Novartis event next week
 - Hikes in Gjøvik and Ålesund
- Update information
 - Regina:

- SiN research theft: they have association with PAN organization in Denmark, collect experiences, no clear decision about what they do, recommendation: internal survey in NTNU level
 - SiN PhD day in Oslo and they'd like to have streaming
 - SiN EuroDoc: position voluntary, unpaid social work< we distribute it on social media to advertise it < Raed to do list
 - AGM national meeting they are looking for location. Regina recommend Trondheim for hosting

- Radina

- Between two universities and get paid partly from one and partly from the other
 - Writing an article to address the issue: the advantages to study as PhD
 - Write to EFTA(European Free Trade Association)? Respect for the employees
 - She wants to ask EFTA to investigate the situation
 - What should we do as DION?
 - Open the discussion about after graduation – find who to contact
 - DION representatives and NAV too?
 - Ask NTNU to have a discussion of the issue. Norway is benefited from international PhDs.
 - EU regulations for employees and unemployment
 - There is no one having knowledge about PhD unemployment
 - When you start to receiving unemployment benefits but PhD cannot receive it. Why?
 - Recommendation:
 - as PhD you show proves that you're working and have submitted your project and you're looking for a job, but the office rejects this application. On the ground of seeking for a job or you're still studying.
 - Alicia: we can ask Tekna to point out - event
